

From the Executive Director

These are challenging times, times that we've never quite seen before. The one thing that remains consistent is the resilience of our businesses here in Woodlawn. There is a fervor, a passion, a determination among our businesses that is evident as we see some businesses strive to grow through a pandemic. We have also supported many start-ups during the pandemic. We are proud of our businesses, and we are confident in their future!

- Dr. Loren Williams

In 2021, the Woodlawn Chamber...

- Provided 50 hours of one-on-one coaching for business owners
- Hosted monthly events with over 200 attendees
- Welcomed 10 new members
- Hired our first Executive Director to help the Chamber execute its mission
- Raised over \$90,000 from individual and institutional donors
